2. ClubSAFE MEMBER

Penrith RSL Club are a member of ClubSafe which is the Club industry's leading best practice and preferred responsible gaming program in NSW. It is based on a Multi-Venue Self-Exclusion (MVSE) program designed to assist people with a gambling problem by self-excluding them from multiple venues around which they live, work and socialise.

3. OUR VENUE

Penrith RSL Club has an electronic gaming system installed which allows for the reporting of meters in fifteen minutes increments and gives management visibility of activity occurring on each gaming machine throughout the day.

Penrith RSL Club has CCTV cameras located at the entrance to the venue, the entrances to the gaming floor and throughout the gaming floor.

Penrith RSL Club offers a loyalty rewards program in-venue. Also known as a player reward scheme, this rewards program allows members to earn points for purchases in all areas of the Club as well as for gaming machine play.

A **player reward scheme** means a system, used in connection with the operation of gaming machines at a hotel or club, in which players of gaming machines accumulate bonus or reward point from playing the gaming machines.

A **promotional prize** means prizes or rewards (including bonus points) offered by the hotel or club to their patrons in connection with a player reward scheme or any other marketing or promotional activity that involves gaming machines.

A hotel or club must not offer or permit promotional prizes:

- in the form of cash
- that exceed \$1,000 in value
- that are indecent or offensive (including free giveaways), or
- to be exchanged for cash.

You must not allow bonus or reward points accumulated under a player reward scheme to be redeemed for cash.

Player activity statements

If requested, you must provide them with a monthly player activity statement free of charge.

Monthly activity statements must include:

- the player's total amount of turnover, total wins, and net expenditure
- total points earned and redeemed as the result of playing gaming machines
- the total length of time during which a participant's player card was inserted in gaming machines during each 24-hour period in the month, and the total length of time during the whole month
- a note advising that the statement only relates to the gaming machine play while the player's card was inserted into the machine
- GambleAware information: 'Help is close at hand. Call GambleAware 1800 858 858 or visit the GambleAware website'

You must keep a record or copy of any player activity statement made available to patrons.

You must only disclose information in a player activity statement to:

- The person to whom the information relates, or
- Persons lawfully entitled to have access to the information.

4. OUR CUSTOMERS

The decision to gamble lies with the individual and represents a choice, and in order to properly make that choice individuals must have the opportunity to be informed.

Penrith RSL Club is committed to providing appropriate information to all individuals including those from different cultural and linguistic backgrounds, so they are able to make informed decisions consistent with their personal preferences and individual circumstances.

Penrith RSL Club takes the issue of responsible gambling very seriously and actively promote the following initiatives to ensure all patrons to our Club are aware of such services available to them.

4.1 Self-Exclusion

The ClubSAFE Multi-Venue Self-Exclusion (MVSE) Program is an online system designed to enable people with a gambling problem to self-exclude from our venue as well as multiple venues around where they live, work and socialise. Penrith RSL Club will initiate self-exclusion when requested by a patron at any time during its open hours.

The ClubSAFE MVSE Program removes barriers for people with a gambling problem such as the difficulty of visiting multiple venues or the embarrassment of visiting their local Club to place the exclusion and makes the process easier for a person with a gambling problem.

A patron can self-exclude by speaking to a Duty Manager at the Club or by contacting a gambling help counsellor.

ClubSAFE also offers self-facilitated self-exclusion. Self-facilitated self-exclusion allows patrons to exclude themselves without having to attend a gaming venue or waiting to meet with a counsellor.

The minimum period for a self-exclusion is six months. Once a patron agrees to stay away from the Club for a specific time, our venue has processes in place to help them honour that commitment.

If a patron breaches their self-exclusion, it is reported through the MVSE program for assessment by trained counsellors. Penrith RSL Club is considering procuring facial recognition technology to assist in identifying self-excluded patrons entering the premises.

Penrith RSL Club has an electronic sign in system at reception which assists with identifying and preventing breaches of self-exclusion.

4.2 Partial Self-Exclusion

A partial self-exclusion allows a patron to exclude themselves from gambling activities at the Club such as TAB/KENO and/or gaming machines, but still allows them access to other Club facilities including restaurants, bars and other entertainment.

A patron can self-exclude by speaking to a Duty Manager at the Club or by contacting a gambling help counsellor.

ClubSAFE also offers self-facilitated self-exclusion. Self-facilitated self-exclusion allows patrons to exclude themselves without having to attend a gaming venue or waiting to meet with a counsellor.

The minimum period for a self-exclusion is six months. Once a patron agrees to stay away from the gaming activities of the Club for a specific time, our venue has processes in place to help them honour that commitment.

If a patron breaches their self-exclusion, it is reported through the MVSE program for assessment by trained counsellors.

4.3 Counselling Services

As required by law, Penrith RSL Club display problem gambling brochures at critical points within the venue and have a wide range of these brochures in many languages to help with our culturally diverse community. These brochures contain details about the ClubSAFE Counselling Service and Gambling Help Line:

ClubSAFE Counselling Service – 1800 997 766

GambleAware Helpline – 1800 858 858

The management team at our venue are proactive in handing out the relevant information to patrons in need. Penrith RSL Club will display information about local support services in strategic locations, on the gaming floor and on digital displays where appropriate.

4.4 Welfare Checks

Penrith RSL Club aims to ensure all our patrons have a positive experience this includes undertaking welfare checks on any guests who may be at risk of problem gambling. Our management and frontline team are vigilant in monitoring our patrons undertaking any gambling activity. If they are showing signs of extended play or distress, a Duty Manager will conduct a welfare check to gauge their mood, stress level and assertiveness and if required undertake the steps necessary whether that be encouraging them to take a break, explaining our exclusion or counselling services or asking them to leave the environment.

All encounters are recorded in our gaming incident register.

After midnight, welfare checks as well as direct and indirect interactions with customers will be increased to provide more opportunities for breaks in play and assessing the welfare of the patrons engaging in gambling activities after midnight.

In addition to the mandatory RCG training, team members undergo training sessions appropriate to their role:

- ☐ **Advanced Responsible Gambling Training**
- ☐ **Board Oversight Training**

These training sessions are vital in keeping our team up to date with industry updates, legislation and most importantly methods to ensure we are adhering to customer care and making it clear to staff that patron welfare is of the utmost importance.

Such training sessions give our team the forum to discuss and establish appropriate policies, procedures and lines of responsibility to provide customer care. These include house policies, clear accountability, reporting mechanisms and follow up procedures for dealing with responsible gambling issues.

Non-gaming staff are provided with induction to RCG training to ensure that every staff member in the venue is trained to respond appropriately to any customer seeking help or displaying signs of gambling harm.

The Board of Directors are required to complete RCG Oversight training to ensure that there is a structured top down approach to harm minimisation.

STRONG WARNING SIGNS		WHAT TO DO
